

REAL ESTATE FINANCE

PRODUCT GUIDE

YOUR PROPERTY PARTNER

Everything we do is focused on providing industry expertise and financial support to realise your property ambitions.

From family homes to mixed-use schemes or student accommodation, our funding specialists support property development and investment projects across the UK.

Whether you're a developer, investor or broker we'll work hard to help your next deal get off the ground.

WHAT MAKES US DIFFERENT

We're committed

We are committed to providing funding to help small to medium sized property developers and investors in the UK.

We're responsive

Our experienced team can deliver fast, flexible lending decisions.

We're reliable

As an established, well funded and capitalised UK bank we will support investors' and developers' needs as they grow.

We're personal

Our relationship led approach means your Relationship Director will manage the process through the life of the loan.

BECOMING A CUSTOMER

This is the customer journey you will go on when becoming one of our partners.

Thanks to Secure Trust Bank Real Estate Finance we were able to secure the funding on behalf of Aldel Designs to enable it to proceed with the next phase of the development.

MARK SHARPE
NUCO FUNDING SOLUTIONS

4

CHECKS

We need to submit to credit and receive sanction

5

INSTRUCT

The solicitors and valuers now review all the legal requirements

6

DRAWDOWN

Now you're ready to drawdown your loan

As Warwick entered the UK real estate market, Secure Trust Bank worked to underwrite a product that not only lowered our cost of capital but did so in a way that incentivized ESG-friendly progress on all of our properties. This was a true win-win for our investors and the values we all share together.
